APPLICATION NOTES

Given your successful completion of the pre-requisite Module required to be considered for this Integral Coaching® - Embodiment & Certification Module, you already know that our programs are demanding and rigorous. This Module will also be challenging and will stretch you as an Integral Coach™ and as a human being. Our commitment is to accept participants into the program who have the interest, capacity, resourcefulness, skill, compassion, and desire to become professionally certified.

Applications are accepted and reviewed throughout the entire year. We will review each Application within 30 days of the date received and if you are accepted, you will be notified of the next steps to prepare for the Module. If you are not accepted, we will provide you with specific feedback and suggestions for further development. The deadline date for receipt of submissions is posted on the Integral Coaching Canada web site. However, we strongly encourage you to submit your Application as soon as you know you want to apply as the Module fills quickly. We limit our class sizes to 20 participants. When we receive Applications in excess of this number and if more than 20 applicants meet our criteria for acceptance, we will enrol the first 20 that we have received. All Applications will be dated upon receipt.

If you are accepted as an applicant but the Certification Module is filled, we will give you the option of applying your deposit to the next delivery date of the Module so that you will be guaranteed a seat in the next offering.

Given your experience in working with us in the past, you are aware that the scope of the program will be both 'wide and deep'. You will need to attend allthree in class sessions and complete all required assignments. Of course, we will continue to support you throughout the year and our connections with each other will be very rich. You will join a community of coaches that will stay connected well beyond the date the program ends!

We sincerely appreciate that you want to continue your development with us and, as ever, we are humbled by what is entrusted to us, to each other and to this deeper journey into Integral Coaching®. Thank you, in advance, for your Application.

With our kindest regards,

Laura Divine & Joanne Hunt
